October 12, 2016

 youve got to read this

On Tuesday, October 18th, Professor Benjamin Drevlow will facilitate a panel discussion called “You’ve Got to Read This: a Panel Discussion on Finding the Passion to Be a Writer.” The panel will feature Department of Writing and Linguistics professors Drs. Jinrong Li, Lisa Costello, and Michael Pemberton, as well as current majors William Norris and Aleya Rentz.

The panel will focus on the diverse writing and authors that have inspired speakers to do what they do even in the face of criticism, doubt, and failure. While the panel features Department of Writing and Linguistics faculty and students, all majors and students from across campus are welcome.

The panel will be held in the IT building, room 1004, from 7 to 8 pm. For more information, [contact Professor Drevlow](#).

The Department of Writing & Linguistics is housed in the [College of Liberal Arts and Social Sciences](#), Georgia Southern’s College of the Creative Mind. CLASS prepares its students to achieve academic excellence, develop their analytical skills, enhance their creativity, and embrace their responsibilities as citizens of their communities, nations, and world.
